

[TO BE PUBLISHED IN THE GAZETTE OF INDIA, EXTRAORDINARY, PART II, SECTION 3, SUB-SECTION (i)]

GOVERNMENT OF INDIA
MINISTRY OF FINANCE
(DEPARTMENT OF REVENUE)
NOTIFICATION No. 33/2022-Customs (ADD)

New Delhi, the 30th December, 2022

G.S.R. .(E).- Whereas, the designated authority, *vide* notification No. 7/09/2021-DGTR, dated the 28th June, 2021, published in the Gazette of India, Extraordinary, Part I, Section 1, dated the 28th June, 2021, had initiated the review in terms of sub-section (5) of section 9A of the Customs Tariff Act, 1975 (51 of 1975) (hereinafter referred to as the Customs Tariff Act), and in pursuance of rule 23 of the Customs Tariff (Identification, Assessment and Collection of Anti-dumping Duty on Dumped Articles and for Determination of Injury) Rules, 1995, in the matter of continuation of anti-dumping duty on imports of “Jute Products comprising of Jute Yarn/Twine (multiple folded/cabled and single), Hessian fabric, Jute sacking bags and Jute sacking cloth” (hereinafter referred to as the subject goods) falling under Tariff Headings 5307, 5310, 5607 or 6305 of the First Schedule to the Customs Tariff Act, originating in or exported from Bangladesh and Nepal (hereinafter referred to as the subject countries) initially imposed, *vide* notification of the Government of India, Ministry of Finance (Department of Revenue), No. 01/2017-Customs (ADD), dated the 5th January, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), *vide* number G.S.R. 11(E), dated the 5th January, 2017;

And whereas, in the matter of review of anti-dumping duty on imports of the subject goods, originating in or exported from the subject countries, the designated authority in its final findings, published, *vide* notification No. 7/09/2021-DGTR, dated the 30th September, 2022, published in the Gazette of India, Extraordinary, Part-I, Section 1, dated the 30th September, 2022, has come to the conclusion that,-

- (i) there is continued dumping of the subject goods from the subject countries and the imports are likely to enter the Indian market at dumped prices in the event of cessation of duty;
- (ii) dumped imports from subject countries are causing injury to the domestic industry;
- (iii) the information on record shows likelihood of continuation of dumping and injury in case the anti-dumping duty in force is allowed to cease at this stage;
- (iv) there is sufficient evidence to indicate that the revocation of the anti-dumping duty at this stage will lead to continuation of dumping and injury to the domestic industry,

and has recommended continued imposition of the anti-dumping duty on imports of the subject goods, originating in or exported from the subject country, in order to remove injury to the domestic industry.

Now, therefore, in exercise of the powers conferred by sub-sections (1) and (5) of section 9A of the Customs Tariff Act, 1975 read with rules 18, 20 and 23 of the Customs Tariff (Identification, Assessment and Collection of Anti-dumping Duty on Dumped Articles and for Determination of Injury) Rules, 1995 and in supersession of the notification of the Government of India, Ministry of Finance (Department of Revenue), No. 01/2017-Customs (ADD), dated the 5th January, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), *vide* number G.S.R. 1(E), dated the 5th January, 2017, the Central Government, after considering the aforesaid final findings of the designated authority, hereby imposes on the subject goods, the description of which is specified in column (3) of the Table below, falling under Tariff Heading of the First Schedule to the Customs Tariff Act as specified in the corresponding entries in column (2), originating in the country as specified in the corresponding entries in column (5), exported from the country as specified in the corresponding entries in column (6), produced by the producers as specified in the corresponding entries in column (7), an anti-dumping duty at the rate equal to the amount as indicated in the corresponding entries in column (8), in the unit as specified in the corresponding entries in column (9), namely :-

TABLE
